

"MORE MONEY FOR MEAT ON MONDAYS!"

The MEAT CUTTERS UNION is demanding that its members be paid more money on Mondays (TIME AND A HALF) than for any other day of the week.

NO REASON IS OFFERED! — "JUST MORE MONEY ON MONDAYS." It just doesn't make sense to us. As your meat dealers we acknowledge our responsibility to protect your pocketbook as well as our business. So we've been the victims of a strike for four weeks. We solicit your help in putting an end to this foolishness.

WE ARE GOING TO FIGHT THESE UNREASONABLE DEMANDS

The Retail Food Institute

An Organization composed of Independent and Multiple Meat Operators in Long Beach and Orange County who have taken on this battle because it is felt that the union demands are opposed to the Public Interest.
